Education

Xiamen University

B.S. Candidate in Mathematics

Xiamen, China

Sep. 2022 – Present

University of California San Diego

UPS Program

San Diego, California, USA

Sep. 2024 – Dec. 2024

GPA: 3.4/4.0 **Average Score:** 85/100 **Class Ranking:** 16/49

Internship and Project Experience

AISE Summer Camp on Artificial Intelligence + Science and Engineering

Participant, The Chinese University of Hong Kong, Shenzhen

Shenzhen, China

Jul. 2025 – Aug. 2025

Functional Analysis Course GraphRAG: Construction and Feasibility

Verification

Project Leader, National Research Climbing Program

May 2025 – May 2026

Novel Numerical Methods for Partial Differential Equations

Team Member, Provincial College Students' Innovation and Entrepreneurship Training Program

Xiamen, China

Apr. 2025 – Apr. 2026

Internship, Shanghai Regional Office

Intern, Harvest Fund Management Co., Ltd.

Shanghai, China

Jan. 2025 – Mar. 2025

Honors and Awards

- **FLTRP · ETIC Cup National English Competition, Provincial Second Prize, 2023**
- **Contemporary Undergraduate Mathematical Contest in Modeling, Provincial Third Prize, 2023**
- **AiXIA Hackathon, Agent Track, Third Prize**

Skills and Interests

Programming & Tools: Python, C/C++, MATLAB, CUDA; Git, VS Code, Alibaba Cloud.

Languages: Chinese, native; English, proficient, IELTS 7.0.

Research Interests: Applied Mathematics, Machine Learning, Retrieval-Augmented Generation, Operations Research, Graph Algorithms.

Personal Interests: Tea culture, coffee, badminton, long-distance running.
